9:00 am

Race cars shall be constructed for this event from the parts contained in the Official Grand Prix Pinewood Derby Kit distributed at the December Pack Meeting.

Inspection and Registration: Each car must pass a technical inspection before it may compete. Technical inspection and registration of cars occurs on Friday, January 27, 2017 from 7:00-9:00pm.

Attendance: The Cub Scout MUST renter his own car. This means that the Cub Scout must be present at “Inspection and Registration” to enter his car into competition.

Impound: No car may be altered in any way after it has been registered. After a car passes registration, it will be stored by the Pinewood Derby Race Committee until race day.

Failure to Pass Inspection: The Inspection Committee shall disqualify cars which do not meet the rules as described herein. If a car does not pass inspection, the owner will be informed of the reason his car did not pass. There will be tools and other items available at the inspection to make modifications to cars which do not pass.
